available in your area

- 115 Lb hopper capacity
- 68 hour continuous burn time on low -1.7 lbs/hr.
- When used with thermostat, the Astoria will automatically cycle "off" when the desired temperature is reached. This allows for long, extended burn times with one load of fuel.
- High feed rate is 5.5 lbs/hr.
- Huge 274 sq. in. viewing area.
- Easy access to components for servicing.
- Proven, reliable self-starting igniter system.
- Highly effective air wash.
- Black door, grill & trivet are standard.
- Wall thermostat included standard feature.
- Easy to clean – no special tools required.
- Quiet, shock-mounted convection blower.
- Sturdy 3 position hopper lid support.

- Large, heavy gauge stainless steel firepot.
- Two-tone mahogany brick pattern cast iron fireback is standard.
- Concealed, swing-out control panel.
- Wiring schematic included inside side panel.
- Huge ash pan.
- Mobile Home listed.
- 4" vent for improved performance.
- Large, comfortable hopper handle.
